

**Dear Students/Parents/Fundraising Participants:**

We are excited to introduce a new FUNdraising Program

for

---

that puts the FUN back into Fundraising!

**LobotoME is a line of eco-friendly organizational products** designed to help busy people and families stay healthy, fit, organized and sane. Clever lists, notepads and planners help you organize everything from your next grocery run to your suitcase. There are even a few notepads that help you delegate, like the Sit ME list (hello, summer babysitter) and the Help ME honey do lists.

Please give your order form to:

---

by:

---

Please note: Individual checks must be collected at time of order.

Checks should be made out to:

---

Thanks for your support of our school's fundraising efforts!

Please let me know if you have any questions or need any additional sales materials.

Best regards,

---

Fundraising Chairperson
